Mr. Pres:-

You may see from
the enclosed that another
delay, has taken place -
but no expense except that
of time, as the helpers were
home folks, and we do not
pay them.

I went all over the "eighty"
selected yesterday P.M. and like
it fine. Think you would
too if you could see it.

We heard some very nice
P.P. news this a.m. -

Yours Truly,
Lillian C.
